Dear Ms. Lewis:

Thank you for contacting this office regarding your situation with the Housing Authority.

My office has contacted the Housing Authority and has learned that they issue the number of bedrooms in an apartment according to the number of names on the lease. Since you have only your name on the lease, they must issue you a one bedroom apartment regardless of the fact that you have had a two bedroom apartment in the past. You can receive a two bedroom apartment only if you can show that your grandson is actually living in your apartment. This matter you will need to take up with the Housing Authority.

If I can be of any further assistance, please do not hesitate to contact my district office.

Sincerely,

A handwritten signature in cursive script that reads "Mickey Leland".
